

Seattle Green Map Economic Development Categories and Icons

 **Farmers' Market:** Sells regionally and organically grown produce supplied by local farmers.

Community Supported Agriculture (CSA) Pick-Up: A pick-up point for produce from CSA farms. Community Supported Agriculture is a relationship of mutual support between local farmers and community members who pay the farmer an annual membership fee to cover the production costs of the farm, and receive fresh produce in return.

 **Organic or Natural Food Grocer:** Focuses on selling a wide variety of food grown without the use of pesticides or synthetic fertilizers.

 **Organic, Natural or Vegetarian Food Restaurant:** Focuses on offering primarily healthy, fresh food using organic, natural and/or vegetarian ingredients.

Green Coffee Shop: A locally-owned coffee shop that captures the character of Seattle; and sells organic and/or fair-trade coffee.

 **'Green to the Core' Store:** Uses environmentally sound and innovative methods of production and operation. Strives to source offered goods in a socially and environmentally responsible manner.

 **Green Products for Sale:** Offers environmentally friendly products among other products that are conventional.

 **Green Service:** Provides a service that is beneficial to the environment; or offers an established service in an environmentally responsible manner.

Reused Goods Store: Focuses on selling reused products.
